LEAD Website. The LEAD Website is under construction and will be up and running soon. I am hoping it will be a venue that can bring and connect the Lasallian Family of LEAD. I am working closely with the web developers. The “Landing Page” is up and running, you can check it out at lasallian-lead.org. For the moment we would appreciate pictures and other images that can be included. If you have images to share, kindly send to Mr. Keane Palatino at prvkeane@lasallian.ph. If they large-sized images that cannot be sent electronically kindly copy them in a CD and mail them to 343 Ortigas Avenue, Mandaluyong City, Philippines.

LEAD Directory v1.2. We apologize for the omissions in the LEAD Directory that was released with the Inauguration Kit. We are in the process of clarifying and sorting out LEAD data base. If there are corrections to the names, email addresses, etc., kindly inform your sector leader. I sent out a form to them that they will be filling up. We should be able to bring out a new directory once we are able to get all the data.

LEAD Story. Kindly email me bits of informaton, stories or any thing of note that you may want brought out in LEAD Story. This is a good venue to connect with Brothers and Lasallians of LEAD.

Fraternally,

Fr. Edmunds Fernandez, Sr.
