**Check Out New LEAD Website.** I am happy to announce that the new LEAD Website is now up and running. Address is <http://lasallian-lead.org/> There is a “Landing Page” where one can immediately get to know the identity of the LEAD but you can also enter the site by just clicking “enter”. It is a work in progress and comments and suggestions are welcome from everyone in LEAD. You are invited to send in your photos and videos and other appropriate multi media materials to Mr. Keane Palatino at [prvkeane@lasallian.ph](mailto:prvkeane@lasallian.ph). It is my hope that we can make use of the website to connect us and bring us up to date with news, information, features, articles, etc., on LEAD Lasallian Family. Thanks to Keane for all the work done collaborating with the webmasters.

**LEAD Chapter Preparatory Committee Meeting.** In preparation for the First LEAD Chapter Tom and I gathered a small group of Brothers from LEAD to discuss, share ideas and brainstorm. For this first meeting I sat down with them and shared my own thoughts on the importance of the first chapter. I will release an official announcement soon.
