

## Prayers for Br. Dante Amisola FSC

Br. Dante Amisola FSC, currently in the United States for studies, will be undergoing a quadruple heart bypass surgery (medically termed as a Coronary Artery Bypass Graft) at the St. Mary's Medical Center in San Francisco. The operation is scheduled for April 30 at 0830 (US Pacific Time). I have requested Br. Kenneth Martinez to fly in from the Philippines to give him some moral support. I am very grateful to the Brothers in California, who have been very supportive of Dante.

Brothers, today is the 364th birth anniversary of our Founder. Let us pray and ask for his intercession for Br. Dante's successful operation and his speedy recovery.

## Novices on Retreat

The Novices are currently on retreat in preparation for their First Profession. The retreat began on April 26 and will finish on May 3. Let us keep the all the Novices, especially the LEAD Novices, Brs. Eugene, Irwin, Joseph, Marvin and Philip Bancha in our Prayers.

Fraternally,

Br. Edmundo Fernandez FSC
