

## **Approval of the Acts of the 2nd LEAD Chapter and Revised LEAD Statutes**

Good news, Brothers! Yesterday, I received letters from Br. Superior and Br. Ricky Laguda FSC, PARC General Councillor informing of me of the approval of the Acts of the 2nd District Chapter and the Revised LEAD Statutes.

This is an excerpt from the letter on the Revised Statutes:

*Brother Ricky and I would like to commend you and the Delegates to the 2nd LEAD Chapter for the comprehensive work you have done in revising the LEAD Statutes. It is obvious to us that the District is growing in self-awareness and is progressively coming to terms with its own identity. Your pastoral leadership skills are bearing fruit : thank you*

*With the consent of the General Council, we approve the Acts of the 2nd LEAD Chapter...*

I would like to take this opportunity to express my gratitude to the Brothers who were involved in the organisation of the 2nd LEAD Chapter, the Chapter Delegates and the members of the previous District Council. I ask you, Brothers, to keep in your prayers the current Leadership Team and District Council as we endeavour to faithfully implement these resolutions in the service of our Brothers and God.

Fraternally,

Br. Edmundo Fernandez FSC
