29 April 1936 - 25 December 2015

*Eternal rest grant unto Crisanto, O Lord.
And let perpetual light shine upon him.*

And may the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

It is with deep sadness that we announce that Br. Crisanto Moreno FSC passed away peacefully in his sleep on Christmas day, 25 December 2015, at 4:00 am from multiple organ failure secondary to Lung Cancer. He was 80 years of age, and received the Last Sacraments. He was a De La Salle Brother for 54 years, and a resident of Residencia De La Salle at De La Salle Health Sciences Institute, in Dasmariñas City, Cavite.

Br. Cris was a retired educator, engineer and architect. He is remembered for being an excellent math teacher and a hands-on architect/engineer, having designed and built numerous structures in our La Salle Schools in the Philippines, including retreat houses and related structures for other Religious Congregations. In his entire Religious life, Br. Cris was an active traveler, a work-oriented person, and a strict but caring mentor of his students, with passion for excellence in their educational accomplishments. He was a God-centered person in his day-to-day life as a Religious.

Brothers, this is a challenging Christmas for our District: we have lost two extraordinary Brothers. However, Christmas is also a season of Hope. Hope teaches us to honour their memory and to pray for them. I ask the Community Directors and Communities to pray the Office for the Dead and to offer Masses for the repose of Br. Cris' Soul.

Fraternally,

Edmundo Fernandez FSC
