**3<sup>rd</sup> LEAD Council Meeting and Blessing of LEAD Provincialate.** LEAD Council meets this Saturday, 01 October only for the third time. All the council members have confirmed their attendance at the meeting which starts at 9:00AM. As part of the plan of LEAD council some will come a day early to have an exposure on the different ministries of the Lasallian Family in Hong Kong. Thanks so much to Pat Tierney who is organizing the visit to some of the schools.

The Blessing of the LEAD Provincialate will commence at 6:00 PM and then proceed with sunset mass at the community oratory. Aside from council members and the two communities in Hong Kong, the Lasallian Educational Council and other special friends of the Brothers are invited. A simple fellowship will follow after the Eucharistic celebration.

Br. David Hawke, General Councilor, will grace the occasion and will unveil the commemorative plaque.

**Jubilees.** Br. Michael Valenzuela will be celebrating his Silver Jubilee on Thursday, 29 September, on the Feast of the Archangels Michael, Gabriel and Raphael, at the National Shrine of the Divine Child.

On 10 October, Monday, six LEAD Brothers celebrate their jubilees. Gus Boquer, Manny Hilado, Roly Dizon, Crisanto Moreno and Peter Foo all celebrate their Golden Jubilee as a De La Salle Brother and Harry Reynolds will be celebrating his 70<sup>th</sup> year! For Harry, this will be a culmination of several months' celebration which began in Malacca and KL early this year. Eucharist will be at the National Shrine of the Divine Child at Green Hills and reception will at the gym.

We wish all our seven Brothers more power and life!

**Prayers.** Prayers requested for Br. Roly Dizon whose cancer recurred in the colon area. This is the same area where, several years ago, a growth was removed. The current growth is about the size of a thumb and was diagnosed as stage 2. He will undergo radiation therapy by mid – October.

For Alphonsus Chee who is in the hospital for pneumonia. He actually slipped while putting on his trousers and preparing for lunch Saturday, the 24<sup>th</sup>, and he was brought to the hospital and only then was he diagnosed with pneumonia. Alphonse turned 84 last August.

Fraternally,

LEAD Provincialate
