

**+ Br. Eugenio (Gene) Tianco FSC**  
**November 17, 1947 - June 25, 2018**

*Eternal rest grant unto him, O Lord.  
And let perpetual light shine upon him.*

*May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.*

It is with deep sadness that we announce the death of Br. Gene Tianco FSC from the Philippines. Br. Gene was diabetic and complications, specifically to the functioning of his kidneys, these past months, led to his confinement at the De La Salle University Medical Centre. Despite the best efforts of the medical staff, further deterioration led to an end to his earthly suffering on June 25, 2018.

## Brother Visitors' Tribute During His Golden Jubilee Celebration:

Br. Gene is a highly gifted Brother. He belongs to a small group of Brothers who are engineers and this includes Cris Moreno and our current AVSP, JJ Jimenez. He finished his Masters Degree at the United Kingdom, was Chair of Manufacturing Engineering at DLSU in the 90s. He was into music as well and played the Tuba with the DLSU Band in the 90s. He was also an excellent athlete, particularly in softball, but as one Brother would say, he was good in any sports he played in. For many of the young ones here you may not know that Gene also whipped up a killer Leche Flan. A Leche Flan to die for! I never got to taste it but it is stuff of legend!

I doubt if any Brother can remain perfectly and fully faithful and there will be many times in our life as a Brother where we will fall and stumble but today let us acknowledge that it is God's faithfulness that always holds us up, helps us to stand when we fall, and keeps us propped up.
