**HAPPY NEW YEAR!**

**LEAD Assembly Note of Thanks.** As I settle down after the holidays, allow me to express my thanks to all the Brothers and Lasallian partners who made the 1<sup>st</sup> LEAD Assembly a fruitful gathering of the Brothers of the new District. Your active participation was crucial in its success. Special thanks to the Preparatory Committee and to all the committee heads. A disk of the pictures taken in the assembly is available for those who want. Kindly contact Mr. Keane Palatino at [keane.palatino@lasallian-lead.org](mailto:keane.palatino@lasallian-lead.org) or at [prvkeane@lasallian.ph](mailto:prvkeane@lasallian.ph)

**LEAD Chapter Preparations.** I sent out communications to Sector Leaders in preparation for our LEAD Chapter. They will be disseminating the information to all the Brothers of their respective sectors. Election of delegates will hopefully be done by end of the month. A summary of the thematic discussions in the Assembly will also be distributed to all the communities for Community discussion. Feedback and other notes will in turn be incorporated in a Chapter Working Document.

Fraternally,

**Br. Edmundo L. Fernandez FSC**
