Seeking Volunteers for Southern Sudan. Below is an invitation for short term volunteers for Southern Sudan from Br. Bill Firman FSC. Kindly post attachment in your community.

Please find attached an 'advertisement' for volunteers to make a short term contribution to our work in South Sudan. Any assistance in publicising this need would be appreciated. Among our international team, there are two Australian De La Salle Brothers, Denis Loft and I, currently working for Solidarity in South Sudan to deliver Teacher Education plus two New Zealand RNDM Sisters, Sr Margaret Scott, who is Principal of our Teacher Training College in Yambio, and Sr Dorothy Dickson, who is the Chief Executive Officer of our Catholic Health Training Institute in Wau.

While this advertisement is seeking tutors to work in teacher in service programmes in January and February, we would also welcome the assistance, during most times of the year, of qualified tutors to deliver Registered Nurse Training.

Every best wish,

Bill

Oops! I wrote in LEAD Story 51 that Br. Felicien Bora FSC is the new Procurator General. He is in fact replacing Br. Leonardo Tejeiro FSC and not Br. Rodolfo Meoli FSC. The latter continues on as Postulator General, the "Saint Maker". I guess I need to remember all the Generals in the Mother House. My apologies.

Fraternally,

Br. Edmundo L. Fernandez FSC
